Introduction

This report presents the developments in merchandise exports (non-oil) and imports of the Kingdom of Saudi Arabia for October 2016 as compared to the same period of the previous year, October 2015, according to the statistical methods and international standard classifications, mainly the Harmonized System (H.S).

It should be noted that the statistics presented in this report are preliminary and they may undergo some modifications in case of a data update.

Note: There might be some differences in the aggregates of numbers or percentages due to rounding.
